The Collection

Perfectly balanced between past and present, tradition and innovation, reinterpretation and modernity, the Devon&Devon 2016 Collection represents a perfect combination of classic shapes and contemporary design.

The brand continues on the path of a distinctive style with a renewed refinement, offering unique and absolutely original creations together with a reinterpretation of certain iconic pieces, decorated with exclusive details and precious materials.

A complete and coordinated collection representing a sleek and sophisticated interior solution that harmonises with a variety of decorative styles.

Lamé Bathtub

Lamé is the new freestanding tub by in Devon&Devon. It is recognisable for the particularly opulent shine of its exterior surface and for its raised double seatback. The precision hand-crafting and classic form combine to embody a typically English aesthetic.

Durability and easy maintenance are guaranteed by the application of a special transparent semi-gloss layer. The Lamé bathtub is offered with a Coventry tap fitting in satin-finished nickel and Flora claw-foot tub in an aluminium finish.

Double Claridge Console

(Pictured: Time tap fitting, Black Jack mirror, Prestige floorings).

Maintaining its original elegance and authenticity, Devon&Devon presents a restyled twin version of a highly successful model in the portfolio. Double Claridge represents a sophisticated tribute to the Deco inspired design from which it draws its characteristic shapes, finishes and geometries. The aluminium structure is light and linear, supported by pyramid section legs, the frames are of chromed brass, the top and decorative elements are in marble and the washbasin in white ceramic. Available finishes for the legs and frame: chrome, light gold, and polished nickel. Double Claridge design can be paired with the following types of marble: Carrara White, Sivec White, Absolute Black Granite, Black Marquinha.

Double madison console

(Pictured: Time tap fitting, Elite Marble Tiles floorings, Simply wall coverings)

The best-selling console in the Devon&Devon portfolio now becomes a double, while maintaining an unchanged harmony between its classic proportions and its timeless glamour. This vintage design clearly recalls the English decorative traditions of the late 18th century. The top and the shelf are made of White Carrara marble, the towel rail and storage shelf of glass. The vanity top also comes in Marquinha Black marble. The cylindrical shaped legs and the towel rail are made of turned brass with a chrome finish. Also available in light gold and polished nickel. The under-counter Swindon washbasin is in white or black ceramic. Also available with alternative under-counter washbasins, Windsor and White 56.

An additional and significant characteristic of this console is its ability to be fully customized in terms of both its dimensions and finishes.

Harry Junior Washbasin Cabinet

(Also pictured: Black Dandy tap fitting, Chicago lamps)

Devon&Devon takes inspiration from classical English furniture traditions in proposing Harry, a compact cabinet for smaller bathrooms and cloakrooms with a distinct and defined character. The variation between black and white tones, the polish of the unframed single door, the square lines and the deceptively spacious cabinet, make this piece of furniture an elegant and practical accomplishment.

Door finish available Deep Black and Pure White or Cream and Warm Grey.

Harry cabinet is completed by New Etoile hand basin in white ceramic, and by its own mirror in lacquered wood.

Dimensions of the cabinet: cm. 53x92x40

Dimensions of the mirror: cm. 65x50x2,7

Double Season Washbasin Cabinet

(Also pictured: Dandy tap fitting, Double Season mirror, Moonlight lamps, Prestige floorings)

A refined and sophisticated re-release of the Season cabinet in a twin version, Devon&Devon reinterprets a classical piece from its collection in a double basin format which honours the enduring elegance of the original. The curved doors within the frame are embellished by elegant brass knobs in a chrome finish.

The cabinet is offered in a dark grey finish and also available in warm grey, ruby and off-white.

Top in White Afyon marble, available also in Carrara, Marquina Black and Botticino Fiorito marble.

Under-counter washbasin available in black or white ceramic.

Single Memphis Console

— (Also pictured: Dandy tap, Decor lamp, Gold Norma Mirror, Dancer cabinet, Elite Marble Tiles flooring, Elysées wall coverings)

Devon&Devon presents Single Memphis, console in machined brass and ceramic which offers both aesthetic and practical value. With its characterful 50s vibe, this new console is set to become a small masterpiece. Single Memphis is the reduced version of the larger double basin console featuring two large oval basins in a choice of black or white ceramic. Light in feel and neatly functional, its framework is presented here in a new satin white finish achieved through hand applied powder coating (frame also available in chrome, light gold and polished nickel).

Dimension: cm. 71x88,3x56

Brooklyn Washbasin

(Also pictured: White Rose tap fitting, Wide Blues mirror, Prestige flooring, Simply coverings).

Made of fireclay ceramic, the elegant Brooklyn double washbasin stands out due to a design that is at once a contemporary classic and irresistibly vintage, thus ideal for many styles of decor. The fluidity of its volumes, the sophisticated geometries, the practicality offered by the generous countertop and the retro references to the 30's and 40's, are memorable highlights of this new washbasin by Devon&Devon.

Dimensions: cm. 124,5x86,5x56,5

Boogie Mirror

Boogie is a finely vintage style mirror. Made of chrome finished brass, it includes a unique pocket type storage shelf.

The Boogie mirror impresses with its high- quality finish and the refined hand-crafting.

Chrome finish, also available in bright gold and glossy nickel.

Dimensions: cm. 58x83x1,6

Black Diamond Tap Collection

Black Diamond is the new exclusive tap collection by Devon&Devon. Made out of brass and available in a wide range of finishes – chrome, light gold, polished nickel and satin nickel – is embellished with diamond-polished black crystal “bejewelled” levers. Precious material, sophisticated design and artisanal craftsmanship make Black Diamond a charming and prestigious collection. The elegant black and gold hues contrast to make Black Diamond an essential piece for luxury bathrooms. Beside the comprehensive offering for all fittings the collection is completed by the Dual Control thermostatic shower mixer, with a practical double handle control to regulate both the temperature and the water pressure.

Cover Flooring Collection

An exclusive collection of floor coverings with a luxurious marble effect, achieved by hydrojet cutting technique. Available in a wide range of sizes and colours, the material unifies the aesthetic characteristics of fine porcelain gres with advanced technical features, such as lightness, ductility, easy installation and maintenance, combined with optimum design flexibility and a slender 6 mm thickness.

Cover Flooring Collection

Absolutely smooth and sleek, the Cover collection is produced using a digital imaging technique that allows for unique colour shading and vein patterning over large surface areas.

With the Cover Collection Devon&Devon introduces a new concept in architectonic surfaces, offering precious decor and furnishing solutions for any room.
